

HIGH TECH TRAINING
SIMPLE SOLUTIONS

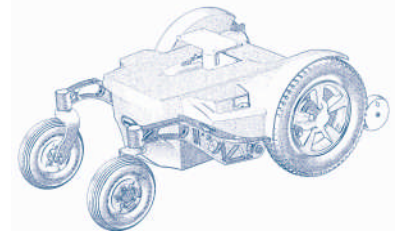

SCHOOL DATE: _____

Course Summary: Permobil Service Schools offer seasoned technicians as well as beginning technicians the opportunity to learn how Permobil power wheelchairs mechanically and electronically function. Our goal is for everyone to leave the service school knowing what to expect when working on a Permobil power wheelchair.

Hot Tech Topics: Attendees will gain a broader knowledge of the Permobil bases, seating, and controls while focusing on the following:

- R-Net / VR2 Programming (Drive)
- New VS Stander, Sequences & Seat Depth Adj.
- Practicing Troubleshooting Skills
- Intelligent Control System (ICS) (Seating)
- New K450 MX & Much More
- Learning Time-Saving Maintenance Tips

Presented by: Dave Miller, Training & Education Supervisor for Permobil, Inc. offers over 8 years of power wheelchair technical expertise. Since 1987, he has developed & presented service programs in North America.

Seminar Includes...full day seminar (8:00 am to 5:00 pm), hands on application with powered mobility products, learning materials, helpful giveaway items, completion certificate for 8 contact hours, and meals.

Audience: This school is geared towards technicians that are Permobil providers. **INVITE ONLY**
Cost...\$75 per attendee.
