# 1 YEAR

## L I M I T E D   W A R R A N T Y

**Permobil Inc. (“Permobil”)** warrants this **Permobil wheelchair** to be free from defects in material and workmanship for a period of one year under proper use, care and service. Permobil warrants the frame of each chassis for the lifetime of the customer. All warranties will cover parts only and do not extend beyond the initial purchaser from an authorized Permobil Dealer.

### **Commencement of Warranty Period:**

Each warranty shall begin on the date the product (powered wheelchair base and/or seating system) is first delivered to the customer, or forty (40) days from the date the product is shipped to the Dealer by Permobil, whichever comes first.

**Repair or Replacement:** For warranty service, customers should contact the Dealer from whom the product was purchased. In the event of a defect in material or workmanship, the Dealer must obtain a return authorization (RA) number from Permobil and the product must be shipped to a service center designated by Permobil. Permobil will repair or, at Permobil’s option, replace any product covered by the warranty. This warranty does not include any labor or shipping charges incurred in replacement for installation or repair and any such product.

### **Disclaimer and Limitations of Remedies:**

The express warranties set forth in this agreement are in lieu of all other warranties of merchantability or fitness of purpose. In no event shall Permobil be liable for any direct, indirect, incidental or consequential damages resulting from any defect in this product. Warranty of parts subject to “normal wear and tear” (e.g. cushions, pads, upholstery, tires, bulbs, grips) are not covered in this warranty except as it applies to defects in material or construction. After the initial one-year period, or if the product is sold or ownership is otherwise transferred, replacement parts are subject to a 90 day warranty period and only in the event that the part is replaced according to requirements set forth in this agreement (see “Voiding of Warranties”).

**Amendments:** No person is authorized to alter, extend or waive the warranties of Permobil. An original document, countersigned by the party or parties concerned must be received by Permobil Inc. before any such amendment will be in effect. This warranty shall be extended as necessary to comply with state laws and requirements.

**Voiding of Warranties:** The foregoing warranties are contingent upon the proper use, maintenance and care of the product. The warranty will be void if the product has been used improperly or if it has been repaired or any part replaced by persons other than Permobil or an authorized Dealer. The addition of equipment or features that are not manufactured or recommended by Permobil could affect the intended function of the Permobil product.

The use or installation of non-Permobil issued equipment may invalidate the warranty.

**Note:** Corpus® Seating System carries a warranty of two years for the seating system only.
