

KNOWLEDGE IS POWER

The rear-wheel drive C350 PS has two different speed packages of up to 6.5 MPH, ideal for quick class changes. The C350 PS offers easy access to the battery as well as a seat-to-floor height of 18.25." Available in Black Onyx, Crystal Blue, Extreme Yellow, Platinum Silver and Vintage Wine, the C350 PS comes with standard matching tri-spoke wheel covers to help complete the look. Plus, the PS seating system features a sliding, telescoping frame and expanding seat pan to allow for growth. The adjustability of the PS seating system is unmatched with 5° at the footplate, armrests that both flip up and move out of the way, and footplate hangers that swing away or inside. The C350 PS is designed to support aftermarket options and accessories, a smart choice for people with hectic schedules and active lives.
